Order No. 26000000

ADVANTAGES

Armrests

- Allows personalized adjustment of the armrest elements under sterile conditions even while performing surgical procedures - simply via the foot keypad and the single-handed activation

Seating system

- Our unique dynamic seating system supports correct sitting postures while protecting your back
- The seat surface and seat depth can be individually adjusted to suit every surgeon's physique with the aid of a sliding carrier plate (located underneath the seat).
- Moving the seat allows individualized ergonomic adjustment of the surgical area and ensures that the patient is sufficiently close to the attending physician
- Seat height adjustment is also effected electronically, via the foot switches

Chassis

- The cast-aluminum lightweight chassis featuring double casters and a central brake provides maximum stability and at the same time unlimited mobility
- The materials and workmanship satisfy the most stringent hygienic requirements
- Battery operation for power supply-independent use
- Foot control element for seat height and armrest height adjustment; acoustic signal tone signaling the switch-over from armrest height to seat height adjustment
- Added stability thanks to a 5th wheel

EQUIPMENT

Central brake acting on 4 wheels.

Both seat height adjustment and armrest height adjustment are effected electronically via the foot control element.

Ergonomically shaped push handles for easy maneuvering.

The individually adjustable armrests can be adjusted under sterile conditions via the foot keypad and the one-hand release.

"Dynamic"® seating system: our unique dynamic seating system supports correct sitting posture while protecting your back.

Optional: *surgiForce* with Combi Seat. **No. 2600001**

Individual stool adjustment.

Exemplary application with foot switch.

The optionally adaptable foot switch plate ensures the optimized layout of your foot control elements even during alternating uses, thus obviating the need for time-consuming repositioning maneuvers. **No. 33170000**
